

Do you carry water?

Hold your
WATER

A unique
inexpensive holder
that attaches
to your
waistband or belt.

Your hands
remain free
whether
walking, hiking
or
touring.

- Clips on to any waistband or belt just like your cell phone.
- The elastic webbing accommodates various size bottles, cups and soda cans.
- Ideal for walking, hiking and touring.
- A great gift or party favor.
- A perfect item for charity walks.
- A promotional item that is both functional and practical.
- Two places for company, corporate, team or event logos.
- Small size 5" x 3", fits into any purse or pocket when not being used.
- Travelers carrying cameras, mobile devices, bags & documents would welcome having a classy "hands free" water holder.
